

ご報告

昨年実施いたしました、カテリーナさんのコンサートの際、みなさまから寄せられたご寄付は、広島NPO「Ant Hiroshima」を通じ、モルドバ共和国でウクライナ難民支援を行うNGO団体「HOPE'87」へ送金されました。先日、その「HOPE'87」さんより、写真とともに活動報告が送られてまいりました。

そこには、財政援助により「ジュース、お菓子、焼き菓子、子供の食べ物、学用品、教育ゲーム」を配布し、子どもや10代の青少年のための競技会、お祝い」に活用されたことが感謝とともに記されています。これからも平和の大切さを知る広島市民として、戦争の反対と息の長い支援を行ってまいりたいと思います。

ANT Hiroshima

Dear Ms Tomoko Watanabe,
Dear Friends of ANT,

Allow us, the Speranta'87 Moldova/HOPE'87 Moldova team and myself, to express our immense gratitude for your financial support, as well as your compassion and responsiveness. Your contributions have enabled us to provide assistance to Ukrainian refugees, especially children and their mothers, who found themselves on our country's territory due to Russia's military aggression against Ukraine in February 2021.

Currently, more than 80,000 refugees are in the Republic of Moldova, striving to adapt to peaceful life, acquiring new skills, learning the Romanian language. Despite all the challenges, including linguistic ones, their children attend Moldovan schools and kindergartens. However, this is a complex process that requires patience, time, and assistance. We understand this and continue to stand by them at every stage of this challenging path towards peace.

But it would have been impossible without donors like **ANT Hiroshima** and our friends and patrons at **HOPE'87**. Your financial assistance has allowed us to distribute juices, sweets, baked goods, children's food, school supplies, educational games, and organize contests, competitions, and celebrations for children and teenagers – things that are scarce in their current lives. The happiest evidence of children's gratitude to donors is the joyful smiles on their faces. Those smiles are directed to you, dear **ANT Hiroshima!**

Ukrainian refugees still face many problems and pain because the war in their land is ongoing. They still need help – children, women, and the elderly, especially those with special needs or illnesses. They need food, clothing, hygiene items, medicines, jobs, psychological support, and more.

We, **Speranta'87 Moldova/HOPE'87 Moldova**, and our close-knit **HOPE'87** family, will always be with those in need of help and care. Once again, we sincerely thank **ANT Hiroshima** for your kindness, compassionate generosity, empathy for the woes of others, financial support, and we sincerely hope that our collaboration will continue for the happiness and prosperity of the Moldovan and Ukrainian people.
